**WE REMAIN COMMITTED TO DEVELOPING
SOLUTIONS THAT WORK BEST FOR YOU AND
YOUR FAMILY**

Here at The Therapy SPOT we are looking for new and innovative ways to meet your needs especially as the situation surrounding COVID-19 changes.

We remain open and we are equipped to offer Tele-health services and/or in-person services for ST, PT, OT through Early Intervention, CPSE, CSE and insurance. We are following specific rules and regulations set forth by the agencies that govern each area. We are following strict cleaning procedures, use of PPE and social distancing.

1770 Motor Parkway

Suite 202

Islandia, New York 11749

Individual Services for:
Speech Therapy, Physical Therapy and Occupational Therapy.

KINDERGARTEN READINESS GROUPS

It is important that children transitioning into kindergarten have the necessary skills to succeed. Give your child a play based, fun filled, skill building opportunity to focus on various skills as they learn along with their peers

- OT: Pre-writing, letter form, functional grip, cutting skills, social skills, following directions.

-PT: Balance, coordination, steps, physical education skills, pre-sport skills

-ST: Articulation, phonology, Phonemic awareness, conversation, sounds and blends, expressive language

HANDWRITING GROUPS

Using a licensed handwriting program for K through high school to organize writing to be more legible in form. Also typing for older students

SOCIAL SKILLS GROUPS

This play-based group for all ages will help improve your child's social skills to target the following skills:

- Making eye contact
- Turn-taking
- Answering questions
- Following directions
- Playing appropriately with others
- Understanding special boundaries
- Impulse Control
- Integrating Sensory Information
- Interacting appropriately with others

READING SUPPORT

Decoding and Fluency support for students needing skill building and strategies for developing stronger and effective reading skills by a certified Special Educator
